

## Invitation Letter

**Dear Dr. Satoshi Matsuda,**  
Associate Professor,  
Shizuoka University,  
Japan

On behalf of the Organizing Committee, we sincerely invite you to give an oral speech **entitled** *“Engineering of Composting Plants for the Treatment and Recycle of Waste Foods”* at The 12<sup>th</sup> Annual World Congress of Food and Nutrition-2025 (WCFN-2025), which will take place during November 11-13, 2025 in Grand Prince Hotel Osaka Bay, and we wish you can accept our invitation and join this grand event in Singapore. In the conference schedule, November 10, 2025 is a day designated for registration.

WCFN-2025 will cover a wide range area of Food and Nutrition research, regarding the Food Detection, Quality and Safety Control, Basic Research of Food Science, Advanced Food Technologies, Food Economy, Policy and Laws, Nutritionals, Nutraceuticals and Functional Food, etc. Through these dynamic scientific and social events, you will have many opportunities to network and to form potential business collaborations with participants from all over the world. This event will continue to build upon the success of past 8 years, offering a top-notch scientific program created by international experts.

To learn more about the meeting, please visit the conference website:
